FUJIN AND RAIJIN

風神雷神

God of Wind and God of Thunder are revered as important protectors of our lives. They are protectors of buildings, people, and materials from evil, and have also served to protect people from natural disasters since ancient times. God of Wind and God of Thunder, created in iron by artist Mikuo Konoki at the entrance of the Park Hotel Tokyo, are part of the hospitality offered by the hotel, and are a symbol of our wish for the safety and security of our guests.

In photography, the “Golden Hour” is the period of daytime shortly after sunrise or before sunset, during which daylight is redder and softer than when the sun is higher in the sky. At the Executive Museum Lounge “Atrium” located on 25th floor, all guests can experience panoramic city view as an art created by nature. Alcohol beverages can be purchased at the lounge, too. Please enjoy the best view with favorite beverage at the Executive Museum Lounge “Atrium.”

OMOTENASHI Concierge

Spaces have been set up for guests to experience the Japanese aesthetic sense in Park Hotel Tokyo with the concept of incorporating art in unique Japanese-style omotenashi, with initiatives being carried out for them to experience Japanese aesthetics in each of the ART (Atrium, Restaurant and Travel) scenes. The “OMOTENASHI Concierge” had started from the Art Concierge in 2016, extended to the Lobby Concierge and the Restaurant Concierge. Now the 3 concierges work together as the “OMOTENASHI Concierge” as the specialists of Park Hotel Tokyo’s omotenashi, to guide guests according to their individual preferences, and help them to make their stay a more memorable one. We will be maximizing the role that Japanese aesthetics and hospitality can play to offer a memorable hotel experience in various parts of Park Hotel Tokyo.
